Vattenhålet

A club for design and use of small boats and other waterborne crafts within Ericsson

Our goals are:

- To promote design, building and use of small boats and other waterborne crafts within Ericsson
- Examples of crafts are kayaks, canoes and ice-yachts

All Ericsson employees in Sweden are welcome. Since the club is based in Stockholm most of our activities will take place in the Stockholm area.

Examples of activities

- Sailing tour to the boat museum "Allmogebåtsmuseet" on island Fjäderholmarna with a "Storöka", a wooden boat (jun-06)
- Håkan Haver talked about his wooden kayak and other building projects, (oct-06)
- Building of 13 wooden kayaks, design by Thomasson (sep-06 – may-07)
- Kayak tour on Albysjön, Tyresö (sep-07)
